I have lived in Delaware for 30 years, grew up in South Jersey.

I served in the US Navy on the USS America and the USS Iwo Jima.

Employed with General Motors for 30 year in the Quality Department.

I have been active in my community for many years. Currently Grand Master of the Grand United Order of Odd Fellows, participated in the Bike to the Bay for MS for 7 years and walk for Breast Cancer for several years.

I picked up my 1999 FRC in 2004 and have been loving it every since. I was looking for a club that was activity involved in doing good things in the community. I have looked at many clubs but CCND had everything I was looking for.
