On the Road

By Andy Rumford

What a great start to the summer...car shows and events as far as you can see. Theirs not a weekend now that goes by without at least (1) event each Saturday and Sunday! The month of June is chock full of such events.

The "Big" one for CCND is our annual Fathers Day Show inside the Concord Mall. This rain or shine event has always been a great crowd pleaser for those "walking the mall". This years show is June 20th. The Club has 6-7 "Open Spots" still left to fill, so if your interested PLEASE let me know. The Mall events are such a great way to spend the day with fellow "Club" Members, so if your able to make this event, please let me know by Noon on June 18th. Each and every CCND Member that brings their Corvette to the "Mall Display" will have a 5x7 picture taken that day. The picture will be framed and mounted as we have done in the past. Their will be a signup sheet at our June 8th meeting for this event.

Diver Chevrolet, CCND's "Club sponsor" will be holding an "all Chevy" Cruise on June 12th to celebrate their 95th Anniversary. The Cruise is from Noon - 5. Their will be a DJ with food available. Let's show our support for Diver. For the past few years now, Diver has supported CCND Corvette shows with significant monetary contributions. In addition, Diver and CCND have worked quite well together over the years on a variety of fronts, be it the "initial gathering" for our Christmas in July Toy Run or Divers signup of new CCND Members when they sell a Corvette. For the past few years as well, Diver Chevrolet has allowed us to drive one of their new Corvettes into the Concord Mall for one of our shows. See you at Diver on the 12th! It promises to be a very large gathering.

There are a host of other shows in the area as well in June and early July. If you have any questions about these shows/events, please let me know.

June 13th - Keystone State Corvette Club. Their will be a signup sheet at our June 8th meeting for this show. We will be meeting as a Club and driving to the event together.

June 19th.- Corvette Club of Delaware Valley's Cavalcade of Corvettes, www.ccdv.com

June 26th - Liberty Regions Corvette show, <http://clubs.hemmings.com/clubsites/liberty/>

Can you believe that Corvettes at Carlisle is only about 10 weeks away!! If you haven't made your reservations yet for a hotel, you may want to call ASAP. Most of us that attend this event, have automatic reservations year to year from the same hotel. If you need any help in locating a place to stay just ask any CCND member who has been to Carlisle and I'm sure they can help. You can also look at www.pahotels.com which will help you locate a place to stay.

One event/show that I would like to make everyone aware of is a HUGE event that's coming up on July 10th this year and that's the Merchantville, NJ Car show. Merchantville is only about 35 minutes from Wilmington Delaware. Over the years I have seen many CCND Members at the show such as Matt Guthan, Larry and Mary Lou Gilbert, Adam Wahl, Ed and Elouise Wolos just to name a few. This show is enormous and will have about 700-1,000 cars of all makes and models. The town of Merchantville shuts down the streets and it's

surely one of my "TOP 3" shows of the year. If you can make it, you surely WONT be disappointed. Check it out at www.merchantvillesscarshow.com .

With my 1979 finally back in my garage (After a long tumultuous 4 months that's a story for the Newsletter at some point), it's time to head out and take her for a "Run" out along route 1. I'm so glad I have it back and "Out on the Road". See you soon.

Kimothy's "Breast Cancer Awareness" Car Show.....by: Andy Rumford

Saturday May 22nd - 27 CCND Members enjoyed the beautiful day and wonderful car show and event held at Kimothy's Place on route 13 in Townsend, Delaware. CCND's own Kevin Frazier started the event, which supports "Breast Cancer Awareness", 2 years ago. 100+ Cars/Trucks were on hand for this beautiful day to benefit this cause. The day started with 12 CCND members meeting at the Chesdel Diner for a leisurely breakfast and then driving the 8 miles or so down route 13 to Kimothy's. Several other Corvette Clubs attended as well. CCND took home for the 2nd straight year, best club attendance with 17 registered cars. The forecast was for spotty showers in the afternoon, but the rain never made it to the show, as the day was filled with sunshine, great food and music, a nice Chinese auction, a \$950.00- 50/50, stories from breast cancer survivors, and time to relax with fellow members and just "enjoy" this day. Kudos's to the individuals who were presented with "Pink" trophies as well. Even though on this day, awards were not on anyone's mind....it was the "Cause" today which was at the forefront.! Thanks so much to the Following CCND members below who were able to attend this event. Thanks Kevin for another simply wonderful event. We surely "APPLAUD" you for starting this show and recognizing the need. We all look forward to next years fundraiser!!

CCND's 1st Poker Night.....by: Andy Rumford

Friday, May 21st at the home of Horace and Janice Wahl, (Thanks Horace, Thanks Janice!) several CCND members enjoyed a few hours of good natured Poker Playing. Games such as “5 card draw”, “Follow the Queen” and “Baseball” were played. CCND would love to continue “Poker Night”, so if you are able to HOST this event at your home, please let me know, as the “Club” surely would appreciate. So, you might be asking yourself, “Well, who were the big winners?” When the game was called, we all walked away pretty much “even”. A very nice night that I hope we can do again very soon!

The "Owners Garage"

The "Owners Garage" is a place where other members can contribute to the monthly newsletter. As with all garages, you may find anything in here. It can be anything that you want to share, Corvette related or not. You could tell us about an upcoming wedding anniversary or family birth announcement. Anything you want to share with the CCND Membership. I am hoping this gives everyone the opportunity to contribute. If you want to send me something, you can e-mail me at jimebner@msn.com or jim.ebner@alico.com.
